(4th Ave. one block south of Speedway). 11:00AM March for Peace.

11:15AM Marchers stop for short peace rally at the UA ROTC building.

PROTEST NOON to 1:00PM Military Recruiting Office on Speedway

Massive demonstration against military recruiting of our youth. Marchers arrive at Recruiting Center,.2302 E.Speedway- between Campbell Ave.and Tucson Blvd. If you can't walk 1+ miles join us there. Bring signs, musical instruments, other noise makers, AND bring your friends. We invite you to join us in protest against the war on Iraq. We demand an end to this war. Bring

our soldiers back to their families, offer them a good education, followed by a good job. To create those jobs let's spend our tax billions on education, healthcare, public transportation, and other services to the American people. Why not a war to eradicate homelessness? We encourage community groups to stage a whole week of peace and anti-recruiting activities.
