

The Global **WALKOUT** for Peace, Freedom & Justice for all

WALKOUT THURSDAY, JANUARY 20 & FRIDAY, MARCH 18, 2005

WALKOUT ON INAUGURATION DAY

STOP THE WAR and BRING THE TROOPS HOME NOW

Over 100,000 civilians have been killed and over 1,000 young Americans have died since the illegal war on Iraq started on March 20, 2003. Everyday we learn of gruesome acts of torture and crimes against humanity. The outcome of the U.S. election is in question and the world is in crisis. Nuclear war, global warming, disease and ecological collapse threaten the world. We face cuts in access to healthcare, education and income. Consider walking out of your job or class on January 20 and March 18, 2005. Let the war profiteers know how we feel. Make the government and corporations pay a cost for their crimes.

Now is the time for you the people to come together, and
"stand up for your rights."

Our constitutional rights, liberties, and freedoms are in jeopardy, along
with the fate of mother earth and her children.

We are facing a global crisis. It's our responsibility to stop the wars, attacks on our rights and the destruction of the environment. Corporate power and its control of political decisions need to end. A global walk out is a non-violent way to express your dissatisfaction with the direction world leaders are taking us.

When profit and property rights are more important than peoples rights we need a revolution in values!

GANDHI said *"Peace will not come out of armed nations, but out of justice lived and done by unarmed nations in the face of all odds...Full effort means full Victory."*

We need a **VISION** of **PEACE**, that is powerful enough to open the future to hope,
more than anything, we need to be a people of **HOPE**.

Join the people of the world on January 20 and March 18th...and make the dream for peace possible.

Come together artists, musicians, students, teachers, actors, cooks, waitresses, longshoremen, truckers, lawyers, contractors, veterans, bus drivers, homemakers, cashiers, maids, janitors, grocery, office, sanitation, farm, factory and train workers walk the road to freedom and peace. Consider organizing a community event or celebration. Copy this flyer and pass them out.
